

OAKDALE NETBALL CLUB

PO Box 10256, Adelaide BC SA 5000

18 March 2020

Dear Athletes, Parents, Caregivers, Coaches and Umpires,

As the global effect of coronavirus (COVID-19) continues to evolve, the Management Committee of Oakdale Netball Club remain committed to the health and safety of our members and community. This has been a challenging time and we have been monitoring the situation in conjunction with Netball SA. Today, we received direction about the commencement of the 2020 competitions.

At this stage, the season is being postponed and it is expected that Round 1 is likely to occur on Saturday 30 May 2020. The recommendation being to commence training two weeks prior to that, being Tuesday 19 May 2020.

We invite you to refer to the official statement provided to the Netball Community today from the CEO of Netball SA, which can be found here <https://sa.netball.com.au/news/letter-ceo>

We have not been provided any further information at this point.

We also advise that our Club Launch scheduled for this Tuesday, 24 March will be postponed until a later date. This will be rescheduled when the draw has been announced.

Should the length of the season be shortened, on behalf of our members we will address fees with Adelaide Metropolitan Netball Division and/or Netball SA at that point. We are unable to take any action regarding fees until the season information is confirmed. Payment plans will be maintained.

We expect new uniforms ordered through Blackchrome will be delivered or available for pickup as soon as they arrive. We will keep you updated as necessary.

As new information becomes available, we will keep you informed. While the circumstances are continuing to change, we thank you for your patience and cooperation.

We encourage all members to be aware of health and community guidelines around minimising your risks. Please refer to the relevant Government and Health Department websites for these resources.

As a community, it's important that we stay connected, safe, healthy and strong.

Take care,

Oakdale Netball Club Management Committee
