

Winter 2022 Registration Fees

With the introduction of PlayHQ there will be a change to the way you pay your fees. Previously you paid your total season fee to Oakdale and the club paid your Netball SA affiliation fee (which were charged on a per season basis).

In an effort to streamline the fee process for clubs and to make it more transparent for members fees will be charged as follows:

- Oakdale will charge a club fee (which excludes any Netball SA fees). This will be in line with Winter 21 fees.
- You will be charged an ANNUAL affiliation fee by Netball SA the first time you register for a club in 2022. The annual fee covers player registration for any competitions played between 1 April 2022 to 31 March 2023. Individual players register once with Netball SA and are members for an entire year. This will allow you to play multiple competitions in a 12 month period whilst paying only the 1 upfront affiliation fee.

This means you will pay more the first season you register (ie \$470 for a Junior, previously \$430), but less in the following Summer season (ie \$205, previously \$245) as per the table below.

	Senior (Born 2004 or earlier)	Junior (Born 2005 – 2012)	Sub Primary (Born 2013 – 2015)	Senior (Born 2004 or earlier)	Junior (Born 2005 – 2012)	Sub Primary (Born 2013 – 2015)
