

# OAKDALE WINTER UNIFORM INFORMATION

## What do I need?

For the Winter season, players will require:

- A dress in either regular or racer back style. Extended length dresses are also available. Dresses are not allowed to be hemmed to make them shorter.
- A pair of purple undershorts
- Club socks
- A warm piece of club outer wear (whether this be a hoodie or rugby). Non-club outer wear is not to be worn to training or match days in Winter. Please note rugby top orders take much longer to arrive than other items.

Club warm-up shirts are mandatory and are free for players new to the Winter season. An ordering code will be provided to these players. Anyone requiring a replacement for another reason will need to purchase one.

A crop sports top is available to go under the dress however it is not mandatory.

Senior players who still own a dress with a Class A logo will need to replace this dress for Winter 2026.

Please note the purple undershorts are registered club uniform. Black undershorts are only to be worn by the very smallest players for whom the purple shorts are too big.

## Try-on sessions

Sunday February 8<sup>th</sup> and 15<sup>th</sup> at the Walford College gym from 1030am to 230pm. These will be the only opportunities ahead of the ordering deadline. Please endeavour to visit the uniform stand during a round off the court, as the windows of time immediately before and after a session timeslot are extremely busy. At other times, a fitting should only take a few minutes.

## I know the size from another club - do I need a try-on?

Yes. Sizing differs from club to club. Similarly, sizing differs between items. E.g. a player in a 12Y dress won't necessarily wear 12Y shorts.

## How do I order?

All orders are through the "Merchandise" portal on the club website. You'll also find links on our social media. The deadline for ordering will be made clear in club emails and on our social media. All orders must be placed by that date in order to be received in time for the season commencement.

It is the player's responsibility to place their order by the deadline. The club is unable to provide uniform items to players who have not ordered in time for the season to begin. And please remember our uniform team is made up of club volunteers, not paid staff from the supplier.

## What if I don't get a placement?

All players trialling must order uniform - there will be no opportunity to order after placements are confirmed. Anyone who does not know whether they will be placed should NOT select the option to add a player name to clothing (hoodies and warm-up tops) as these cannot be refunded. All un-named items are fully refundable if a player is not placed.

## Can I buy secondhand?

Request to join the Oakdale Buy Swap and Sell Facebook group. But with a large number of continuing players we cannot guarantee there will be secondhand supply of what you need so be sure to keep the option of ordering new. Please note dresses with a "Class A" logo are not to be bought or sold secondhand.

## Club Merchandise

Other items of club merchandise for players and supporters are available for purchase on the website, with some limited items available for purchase at trials. These include drink bottles, scarves, beanies (in two designs), backpacks, umbrellas, tshirts, jackets, vests and a club supporter jumper.

We also anticipate having new merchandise and uniform items displaying the club's new First Nations design. Log-on and have a look!
