

OAKDALE SUMMER UNIFORM INFORMATION

What do I need?

For the Summer season, players will require:

- A dress. Extended length dresses are also available. Dresses are not allowed to be hemmed to make them shorter.
- A pair of purple undershorts
- Club socks

Club jumpers (grey hoodie or purple rugby top) are preferred, but not mandatory in Summer. Please note the black ONC jumpers are supporter-wear only and are not to be worn as player uniform.

Black undershorts can only be worn by the players too small to fit into purple shorts.

Club warm up tops are not a requirement in Summer. The old warm up top is also being phased out with a new one to be provided to all players in Winter 2027 so we will not be selling any this Summer.

First Nations warm up tops (short and long sleeve) are allowed to be worn at any time in any season.

Club merchandise is also available on the website and at the try-on sessions.

Try-on sessions

Please pay attention to the dates of try-on sessions as they are the only opportunities to try uniform on ahead of the ordering deadline. Trying on in between trial rounds, rather than at the beginning or end of a trial session, usually guarantees our volunteers are best able to assist. The dates and times will be advertised clearly on our social media and in the TRIALS section of the website.

I know the size from another club - do I need a try-on?

Yes. Sizing differs from club to club. Similarly, sizing differs between items. E.g. a player in a 12Y dress won't necessarily wear 12Y shorts.

How do I order?

All orders are through the "Merchandise" portal on the club website or directly through the Paladin website. You'll also find links on our social media. The webstore will have a strict closing date to ensure all items can be received in time for the season commencement.

It is the player's responsibility to order by the deadline. The club is unable to provide items to players who have not ordered in time. Please remember our uniform team are volunteers, not Paladin staff.

What if I don't get a placement?

All players trialling must order uniform - there will be no opportunity to order after placements.

Anyone who does not know whether they will be placed should NOT add a player name to hoodies as these cannot be refunded. All un-named items are fully refundable if a player is not placed.

Can I buy secondhand?

Request to join the Oakdale Buy Swap and Sell Facebook group. But with a large number of continuing players we cannot guarantee there will be secondhand supply of what you need so be sure to keep the option of ordering new. Please note any dresses with old sponsor logos (Class A on the front, or Fertility SA on the back) are not to be bought or sold secondhand.
