

Oakdale Court Time Policy

All Coaches, other than the coaches of the senior AMND team, must endeavour to give all players equal court time throughout the season.

Coaches will not be obliged to make up court time missed due to illness, injury, holidays, family events or school commitments.

Records of court time must be kept by the coach and provided to a club official upon request.

Sub-Primary players must be rotated through all positions throughout the season.

If a player is selected to fill in for a higher team for a regular season game, that player must receive at least one half of that game, on court.

Sub-Primary and Primary players must receive a minimum of one half of the game on court, for each finals game they are qualified for.

In all other age groups, other than the senior AMND team, players must receive a minimum of one quarter of the game on court, for each finals game they are qualified for.

Reward for effort is encouraged at all times. Training attendance will be recorded for each player during the season.

Where a player does not contact a team official within a reasonable timeframe prior to training to advise of their non-attendance, that player should expect they might not take the court in the first quarter of the following match.

Attendance at High Performance sessions for selected players is compulsory. Non-attendance could jeopardise the player's position within the High Performance eligible team.

This policy is reviewed and endorsed by the Committee of the Oakdale Netball Club.
